

Notice of Termination (NOT)
National Pollutant Discharge
Elimination System (NPDES)

Notice of Termination
(NOT)

Construction Engineer
requests review of completed
project to determine if project
is stabilized.

Bay Region – Region Soils Engineer
Grand Region – Region Resource Analyst
Metro Region -Region Soils Engineer
North Region – Region Soils Engineer
University Region – Region Resource
Specialist
Southwest Region – Region Resource
Analyst
Superior Region – Region Soils Engineer

Region Soils Engineer/Resource Analyst
requests that CFS submit the NOT. Copy of
NOT sent to Construction Engineer. The
NOT date must be included on form 1120
and is the date CFS submits the NOT to the
Michigan Department of Environmental
Quality.

Does the project meet the definition of
'stabilization'?
Stabilization means the establishment of
vegetation or the proper placement,
grading, or covering of soil to ensure its
resistance to soil erosion, sliding, or other
movement.

Soil Erosion and
Sedimentation Control
Inspections must
continue, using form
1126.
